Beginning June 1st!

Our Next Level Rewards program is designed to give you more from your membership. By building your relationship with us, you can earn added value across your accounts.

When you complete a few simple qualifying activities—like using your debit card or enrolling in eStatements—you can unlock exclusive perks such as loan rate discounts, bonus benefits, and enhanced account features. It's our way of rewarding you for the everyday banking you already do.

The more you engage, the more you can earn—making it easier to save, borrow, and reach your financial goals.

What's next for your money?

New Online Friends

Social media can be a great way to connect with new friends, but it's a different story when someone approaches you to be friends and then asks for money.

That's no friend — that's a scammer.

Scammers create fake profiles and often claim they can't meet in person before requesting help for travel or emergencies. They may ask you to send money through wire transfers, gift cards, payment apps, or cryptocurrency.

The urgency is a common sign of a scam. You should not send money to someone you have never met in person.

Think again! It can also be a smart way to consolidate debt, handle big expenses, or fund life's larger moments—all while taking advantage of a fixed rate and steady payments.
